## Location

Hillington Park is located between Glasgow City Centre to the East and to the towns of Paisley and Renfrew to the West.

The location is well served by the M8, M74 and M77 motorway networks and interconnecting arterial routes.

Evolution 200 Series is in a prominent location along the M8 motorway where 100,000 vehicles pass on a daily basis and is accessible via Mossland Road. Only a short drive from Junction 26/M8 (1 mile/2 mins), Glasgow City Centre (6 miles/8 mins) and Glasgow International Airport (3 miles/4 mins). Evolution 200 Series is ideally located to access the central belt and west of Scotland transport networks.
