I am proud to present "Gold Gulch Ranch" for sale.

Located in the rural Oro Grande area right on National Trails Highway (old Route 66), This land includes a total of 3 parcels totaling 13.18 acres. APN's 0468-281-17-0000 - .40 acres; 0468-281-19 - 2.86 acres; and 0472-171-36 - 9.92 acres for a total of 13.18 Acres. This property is just 5 minutes to the 15 Freeway and the City of Victorville. This is the perfect location for an RV park and it is zoned RL which allows that use with a simple Conditional Use Permit. The Mojave River runs through this property and currently runs year round. There are many trees and greenery on the property due to the high water table (approx. 16 ft.). There is a well on the larger parcel as well as county water supplied to the property. There is electricity and phone on the property as well. This is a one of kind ranch property along the Mojave River that is home to farms, ranches, residential, and commercial properties. The property includes 10 acre ft. of water with more potentially available.

The owner currently lives in the single wide mobile on the front parcel that stays with the land making a perfect office for an RV park. The traffic count on National Trails Hwy is high with many RVs' using the old Route 66. Additionally, there is a small western "town" on the property that could be incorporated into the RV Park. In years past, this property hosted photo shoots for Hollywood stars of yesteryears.

Other land uses would be equally good. Right next door to a brand new commercial / industrial office building with IC zoning. An agricultural use would be allowed along with a produce stand. Please refer to the San Bernardino Development Code attached.

This property is shown by appointment only. Please contact listing broker.
