

Business Storage

Why spend money on long term warehouse rental space when you can store your business equipment at Abba? Our extended gate hours offer you the flexibility needed to run a successful business with costs that don't put a hole in your operating budget. Abba is the perfect place for contractors, landscapers and suppliers.

Record Storage

Tight on office space? Abba is the ideal facility to store your important records and documents. Office space can be very expensive and require long term commitments while Abba offers you affordable storage on a month to month basis. We also offer a variety of sizes so you can rent only what you need.

Truck Rental

Use our clean, well maintained 14 foot truck to assist you when you move your possessions into Abba. Once on site we also offer carts at each building and wide aisles and hallways designed to make your move in as painless as possible.
