For additional information, photos, online applications as well as information on our other available properties go to: <https://slpn.com/browse-rentals>

We ask that you drive by any property you may have an interest in to acquaint yourself with the neighborhood and exterior of the home.

****Please be advised that any dates published or given orally for a property's move in availability is subject to the existing tenant moving on the notified date. The date is also subject to time required to prepare the unit for occupancy, which involves owner approval and having an acceptable vendor available to complete the repairs. Once we have received a holding deposit, we will be able to provide a more accurate time line for move-in. ****
