Full Time Office

Each suite offers individual heat and air to meet your individual needs.

Telephone options are plentiful using your own telephone number or requesting one from our telephone service provider utilizing Voice-over-IP (VoIP) services.

Exceptionally fast internet of over 100 Mbps, will provide your business with safe and secure access to the world wide web. There's even a kitchenette with unlimited coffee!

Part Time Office

Don't need to be in the office for work, but don't want to have meetings at a coffee shop?

More professionals are working from home, but that's not where you want to meet that next big client, or interview your potential employee. Maybe you just need some alone office time! Spokesman Suites has very affordable part time offices available by the hour with a reservation or you can reserve a number of hours per month.

Receptionist, Mailing Address and Fax Service are also available for when you're not here.

Services

Why be tied to the office when Spokesman's Staff can man it for you?

We'll answer your phone and either redirect the call or screen it & tell you who is calling.

Voicemail is available audibly or we can send it to you via email!

We can even manage your snail-mail! We'll accept your packages and give you the Spokesman's prestigious mailing address to use as your own.

When you're here, either full or part time, we offer exceptionally fast internet of over 100 Mbps, that will provide your business with safe and secure access to the world wide web.

We even have special pricing for you night-owls with our 'After Hours' packages.

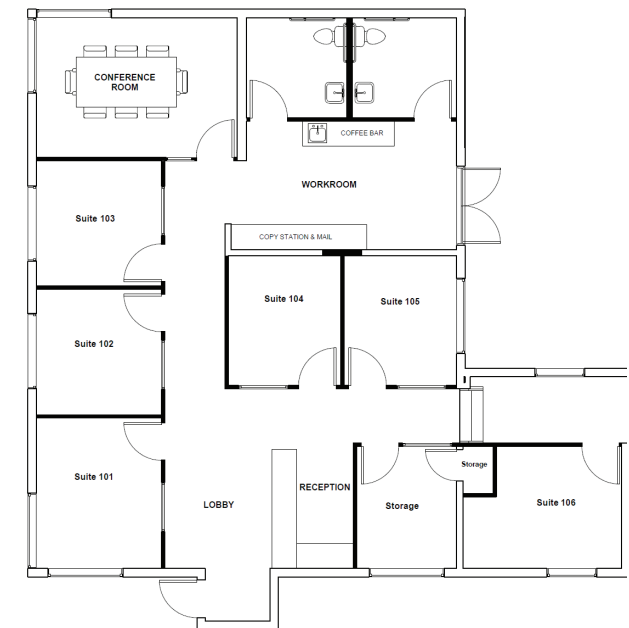

Spokesman SUITES

We have various Packages and Floor Plans to meet your needs.

Doing business today is different than it used to be. With the advent of mobile technology, business owners are on the go! Many no longer need a full time office.

Solo-preneurs benefit greatly from lower overhead that a part time office with a receptionist and a conference room offers.
