OFFERING MEMORANDUM

668 TENTH AVENUE (a.k.a. 468 West 47th Street) New York, NY 10036

PROPERTY REVIEW

Prominently located on the southeast corner of Tenth Avenue and West 47th Street, this property represents a prime mixed-use investment and redevelopment opportunity in the heart of Midtown West / Hell's Kitchen. The site offers approximately 25.08 feet of frontage along Tenth Avenue and extends 100.42 feet along West 47th Street, totaling roughly 2,518 square feet of land area.

The existing improvements consist of two interconnected buildings: a five-story mixed-use structure facing Tenth Avenue (668 Tenth Avenue) and a two-story rear building fronting West 47th Street (468 West 47th Street). The front building features a ground-floor restaurant tenant with residential apartments above, while the rear building includes an Italian restaurant on the first floor and a three-bedroom apartment on the second floor with a separate entrance from West 47th Street.

Together, these structures create a cohesive corner assemblage with excellent exposure, dual frontage, and stable in-place income. Zoned R8 / C2-5, the Property allows for a range of residential and commercial uses, with meaningful development and repositioning potential. A future concept may include a modernized façade, reconfigured retail layout, and upgraded residential units to capture continued rental growth and tenant demand in this rapidly evolving corridor.

With its irreplaceable corner location, strong tenancy, and zoning flexibility, 668 Tenth Avenue (a.k.a. 468 West 47th Street) offers investors and developers an attractive opportunity to acquire a mixed-use asset with both current income and long-term value-add potential in one of Manhattan's most dynamic West Side neighborhoods.
