AN AREA OF PRIME FOCUS FOR GROWTH AND INVESTMENT

“Herne Bay will be the prime focus for growth and investment along the district’s coastal corridor.”

Altira Park is already home to a Sainsbury’s Superstore, Argos, Snap Fitness as well as Icom, Jaytee, Howdens, Screwfix, Premier Inn and Premier Diamond servicing the local population of approx. 39,000 and an economically active population of approx. 68,000 within a 30 minute drive.

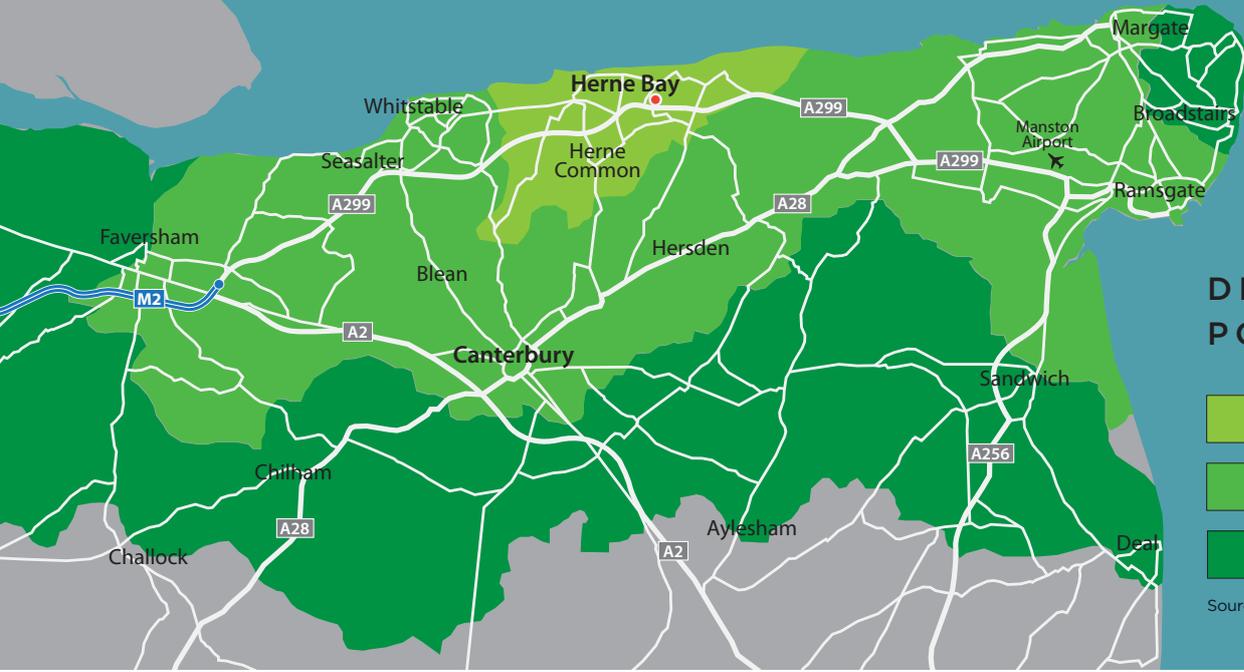

Canterbury District Council is currently rejuvenating the area and it is recognised that residential development is required to support the growth and diversification of the local economy.

There are 1,300 dwellings planned as part of an extended Altira Park development and a further 1,700 dwellings within other identified local developments, reflecting a population growth of 10%.
