Property

The premises comprise a detached portal frame construction with a power floated concrete floor with part cavity brick/block walls to low level with the remaining walls being insulated profile steel cladding and to the roof with the roof incorporating double skin translucent roof lights.

Loading is from the rear elevation via two up and over loading doors with a further detached single skin warehouse area situated within the secure yard.

The building has two-storey offices to the front elevation accessed via a main reception area leading to ground floor offices, wc's and canteen area on the ground floor and stairs leading to the first floor offices that also incorporate male and female wc's, kitchen area and to a fully glazed boardroom.

Warehouse is currently fully racked out with mezzanine floor in part fitted with gas fired radiator heating to the offices with some air conditioning / comfort cooling heating system to parts with offices largely to a high specification including dado trunking, suspended ceilings, LED lighting and high quality floor surfaces.

Externally the property is accessed directly off Henson Way with car parking to the front for 13 cars with access road leading to the side of the unit into the rear main yard area largely concreted with a small area hard surfaced and the yard area is gated with a secure Palisade fence.

Accommodation

The property has been measured on a Gross Internal Area basis (GIA) in accordance with the RICS Code of Measuring Practice, we calculate that it provides the following floor area.

Area	m ²	ft ²
Total GIA		
Ground Floor Warehouse/Factory Space	1,920.093	20,668
Ground Floor Offices / Ancillary	304.480	3,278
First Floor Offices / Ancillary	304.480	3,278
Total GIA	2,529.053	27,224

External Store	270.287	2,909
----------------	---------	-------

Site Area 1.876 acres (0.759 hectares)

Energy Performance Certificate

Energy Performance Certificate Rating is: C(63)

Services

We understand that all mains water, electricity and drainage supplies are available and connected to the property. These have not been tested and are not warranted to be in working order. Interested parties are advised to make their own investigations to the relevant utility service providers.

Town & Country Planning

Location

The property is located close to J7 of the A14 accessed directly off Henson Way on Kettering's Telford Way Industrial Estate.

The Telford Way Industrial Estate is the principle established trading estate to the north of Kettering town centre with a mixture of industrial warehouse and trade counter uses and includes occupiers such as Snap on Tools, Sealed Air, Greggs, Travis Perkins to name but a few.

Kettering is a strategically located town within the East Midlands centrally located adjacent to the A14 dual carriageway linking the M1/M6 motorways to the west and to Huntingdon and the east coast ports of Felixstowe and Harwich to the east. The property has direct access to J7 of the A14 via a fully graded separated interchange.
