THE AIRE VALLEY LAND LLP – A STRONG PARTNERSHIP FOR DELIVERY

The Aire Valley Land LLP is a joint venture between Evans Property Group and Harworth Group plc, that has been set up to deliver the 165-acre Gateway45 Leeds site adjacent to junction 45 of the M1.

Evans Property Group is a long established private property investment and development company, with net assets of £400 million, secure income from a diverse property portfolio and low gearing.

Harworth Group plc is one of the largest property and regeneration companies operating across The North of England and The Midlands, owning and managing 22,000 acres across 150 sites. Their experienced team work closely with local communities, public bodies, developers and other professionals to bring life to old brownfield sites and turn derelict land into employment areas, new homes and low carbon energy and environmental projects. Their flagship sites, such as the world-renowned Advanced Manufacturing Park in Rotherham / Sheffield and Logistics North in Bolton, are of national economic significance and are at the forefront of the regeneration of the UK.

As two of the North's leading and most respected development teams, the joint-venture partnership brings an unrivalled wealth of large-scale development expertise to the table ensuring credibility, integrity and deliverability.

Gateway⁴⁵ Leeds

LEEDS CITY REGION'S NUMBER 1 SCHEME

Gateway45 Leeds is the largest logistics and manufacturing scheme in the Leeds City Region, and will address the long-standing shortage of commercial units in the area.

Planning consent is in place for 2.64 million sq ft of B8, B1 and B2 development directly adjacent to M1 junction 45. A £7.5 million infrastructure and groundworks programme, facilitating build-to-suit plots for buildings from 8,000 sq ft up to 515,500 sq ft, is now complete.

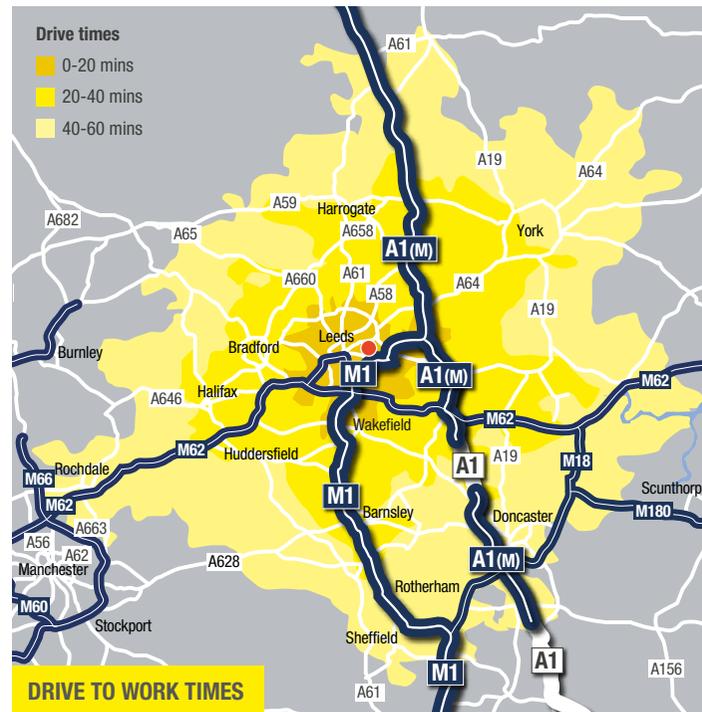

The site also benefits from Central Government Enterprise Zone status, offering a range of incentives to occupiers.

LOCALLY AND NATIONALLY CONNECTED

Gateway45 Leeds incorporates Leeds City Council's newest park and ride transport hub, connecting the scheme effortlessly to the city's available workforce.

Its connections to the rest of the UK are just as impressive. With immediate access to the M1 and just 5 minutes from the M62, Gateway45 Leeds plugs directly into the national motorway network.

Gateway45 Leeds is ready to deliver for businesses seeking superior quality, operational efficiency, enhanced flexibility and world class connections - as well as the financial benefits that come with being in the Leeds City Region Enterprise Zone.

THE RIGHT WORKFORCE AND INCENTIVES RIGHT ON YOUR DOORSTEP

Skilled workforce

Leeds City Region has a population of three million people, with seven million living within one hour's drive.

At 1.9 million people, its working age population is the largest in the UK outside London and 31% of them are educated to degree level. The region has a £7 billion manufacturing sector, along with the education and training infrastructure to sustain it. It also has the largest transport and logistics workforce of any core city, with the sector employing 66,000 people.

Park and Ride at J45

- Temple Green Park and Ride operated by Leeds City Council in partnership with Metro
- Capacity for up to 1,000 parking spaces
- Areas incorporated for disabled parking, cycle and motorcycle storage
- Bus services every 15 minutes to multiple stops in Leeds City Centre.

Enterprise Zone status

- Occupiers have the opportunity to benefit from enhanced capital allowances and up to £275,000 business rates reduction over a five year period
- Bespoke packages of business support, training and recruitment are available from the Leeds City Region Local Enterprise Partnership
- A range of business loans through the Leeds City Region Local Enterprise Partnership are also available.

THE GATEWAY TO NATIONAL AND INTERNATIONAL MARKETS

Gateway45 Leeds occupies the largest and most prominent gateway logistics and manufacturing site in the Leeds City Region, offering direct access to the motorway network at junction 45 of the M1.

It's a position of strategic importance. The junction with the M62 is just five minutes away, from where the Port of Liverpool to the West and Hull to the East can both be reached in around two hours. This offers clear advantages for occupiers who need to integrate their operations into global supply chains. The M1 also offers direct access south into the Midlands and beyond, and north to Newcastle upon Tyne.

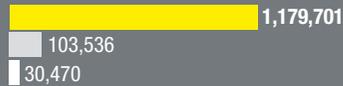

- 1 mile of prime frontage along the M1 at junction 45
- 1.5 miles to Leeds city centre
- 3.4 miles to M1/M62 intersection junction 28
- City centre under 10 minutes drive

MASTERPLAN & AVAILABILITY

AVAILABILITY

East 105 and East 52 are now being speculatively developed by the Aire Valley Land LLP and will be practically completed and immediately available for occupation in Q4 2017.

Other units are available on a leasehold design-and-build basis, as indicated on the indicative layouts noted in the above masterplan.

The Aire Valley Land LLP has a full and active design and technical team in place to work with occupiers to provide build to suit property solutions that will match individual occupiers' specific needs. Terms and deliverability will be tailored to suit occupational requirements.
