

A three-story, state-of-the-art Medical Arts Center (“ MAC”), located on the Trinitas Williamson Street Campus. All of the space in the MAC will be allocated for physician offices and hospital outpatient services.

Project Highlights:

- Approximately 47,700 square feet of new medical office space
- Custom-designed suites constructed to meet the needs of each practice
- New Parking Structure adjacent to the Medical Office Building
- Competitive rental rates and lease terms
- Comprehensive Healthcare Destination
