THE BERKSHIRES

Make Western Massachusetts your home! Western Massachusetts is truly one of a kind. See the green hills of the Berkshires or the stunning foliage along the Mohawk Trail, America's first (and best!) scenic automobile route. Visit an amazing collection of unique museums including the Basketball Hall of Fame. Listen to epic music at Springfield's Symphony Hall or the iconic Tanglewood music venue. And walk through some of the world's most picturesque college towns in Northampton and Amherst.

We've got arts and culture; scenic beauty, biking and hiking trails; and creative and innovative cuisine, with locally sourced, farm-fresh ingredients. Plus we've got all the amenities you'd expect from a big city, but with the farm town feel and slow country living you can't resist.

Regards,

ANGELA MANCINONE
