Description

The units are in good condition and allow for a light and spacious working environment with 15% natural roof fenestration. The properties comprise of steel portal frame construction with 50% external over-clad. The units benefit from electric roller shutter doors, and a generous eaves height of 4 metres.

Externally the properties benefit from dedicated parking spaces and a loading strip, which decreases over-crowding on the estate.

The offices have recently been refurbished and are fully carpeted, painted and have LED strip lighting.

Tenure
