LOCATION

Sandpiper Drive is situated in the Newhaven district of Edinburgh approximately 2 miles from the Newkirkgate Shopping Centre in Leith and approximately 5 miles from Edinburgh City Centre.

SITUATION

The site is situated immediately adjacent and to the front of the Asda Leith Superstore being situated in a prominent position just off the A901 trunk road close to the Ocean Terminal Shopping Centre as well the Edinburgh Waterfront Apartments.

DESCRIPTION

The site which extends to approximately 0.83 acres (0.336 hectares) is flat and adjoins the Asda car park close to the front access point to the Superstore.

The site is located in the heart of the major residential and commercial development area located to the north of the A901 trunk road.

PLANNING

The site is designated as part of the housing / mixed use development in the second Local Development Plan (yet to be adopted – October 2016) and is considered to form part of the committed housing land supply at the Edinburgh Waterfront. The plan envisages this site as part of the major mixed use regeneration opportunity on the land to the west of Ocean Terminal Shopping Centre.

The principles relevant to the development of the site include revising the housing mix and completing the partly implemented new local centre by providing smaller commercial units under a flatted development.

The owners are flexible in their approach to disposal including development of accommodation to meet users requirements or consideration of developers proposals for mixed use development to include housing, retail and commercial. floors, commercial at ground floor level with car parking facilities.
