## GETTING AROUND COULDN'T BE EASIER

Capital Square's central location delivers excellent connectivity via a wide range of transport options. Numerous bus routes run close by on Morrison Street and Lothian Road and Haymarket transport hub, providing rail and tram connections,

is within 7 minutes' walk. Princes Street West tram stop is only 6 minutes' walk away offering fast and easy access to Edinburgh International Airport with daily flights to over 120 domestic and international destinations.

Jogging and cycle routes run conveniently nearby, as does the city's renowned shopping on Princes Street and George Street. The public car park under the building means that there is ample parking for visitors.

CLOSE TO THE MAJOR BUS ROUTES ON MORRISON STREET AND LOTHIAN ROAD AND ONLY 7 MINUTES' WALK FROM HAYMARKET MAINLINE STATION OFFERING TRAM AND RAIL CONNECTIONS

— *Environmental Responsibility*

## SUSTAINABILITY AND ENVIRONMENTAL RESPONSIBILITY

Sustainability is to the fore. Capital Square incorporates solar panels, energy efficient lighting and numerous energy saving initiatives. The building will benefit from a BREEAM 'Excellent' rating and EPC 'B' rating, meaning that not only is

it highly sustainable and environmentally sound, from an occupier's standpoint it is future proofed and highly efficient in terms of running costs.

- Double height reception space linking into full height glazed atrium

## 1.08 PLANNING MODULE

- 1.5m module to allow flexibility for partition layouts and future space planning by tenants

## 1.09 STRUCTURE

- Basement car park in reinforced concrete
- New RC cores (2 No.) at north and south of building with steel frame structure generally incorporating cellform beams and composite concrete slabs on permanent metal deck

## 1.10 FLOOR LOADINGS

- Office: 3.5kN/m2 + 1kN/m2 for partitions / general offices
- 7.5kN/m2 to 5% of floor area for storage (areas to be defined by Client)

## 1.11 LANDSCAPING / EXTERNAL

- Interfaces with Chuckie Pend incorporated into overall scheme
- Connecting walkway from Conference Square to Festival Square
- Planting / greenery / hard landscaping in courtyard with treatment to roof of electrical sub-station and back-up power areas
- Attractive lighting to create inviting route to building and to highlight the building from Morrison Street
- Accessible roof terraces on Levels 6 and 7
- Areas of intensive green roof
- 98 covered and illuminated cycle spaces with associated CCTV, 40 of which are contained within a secure storage area

## 1.12 VENTILATION & AIR CONDITIONING

- The ventilation meets the BCO 2014 criteria
- 1 per 8 square metres maintaining flexibility for tenant fit-out and reasonable upgrade of system
- 12 litres / second per person fresh air supply to offices and approximately 6 air changes per hour

## 1.13 LIFTS

- Energy efficient lifts
- 4 No. 13-person passenger lifts
- Waiting times better than the current BCO standards and achieving CIBSE "good" standard with lift control system
- Lift speed - 1.6m/s
- Separate dedicated 21-person goods lift / firefighting lift offering access to the office floor plates from the service road loading bay and from designated spaces in the car park
- Stainless steel door coverings and frames with high quality internal finishes

## 1.14 LIGHTING

- Intelligent LED system
- BCO 2014 compliant
- Lighting to office floor plates to be "in the spirit of" LG7 - lighting units to be flush with the suspended ceiling
- Lighting load - 10W/m2
- Lighting at desk level 300 - 500 lux
- Feature lighting to atrium and entrance areas
- High quality external building façade and landscape lighting

## 1.21 BUILDING MANAGER FACILITIES

- Building Manager / security office, storage areas, shower, toilet, staff rest room

## DEVELOPMENT TIMING

Capital Square was approved by the Planning Committee in the Summer of 2015.

### DOVETAILING CAT A & CAT B FIT-OUT - SAVING COST AND TIME

Britel is prepared to carry out fit-out as part of their works. This would require Cat B works in terms of specification, design, layout and costs to be frozen in 2016 with a 20 week period being set aside for design and statutory consent, with tenant Cat B fit-out taking circa 14 weeks to complete thereafter. Physical occupation would be in **Quarter 3, 2018.**

Undertaking Cat B fit-out as part of the Cat A works will save time and cost for your client.

## TIMELINE

Start on Site	Quarter 2, 2016
Building Completion	Quarter 3, 2018
Physical Occupation*	Quarter 3, 2018

\*Subject to Cat A and Cat B fit-out being undertaken simultaneously
