It's no surprise that Reading is thriving. PwC and Demos have ranked Reading as the UK's top place to live and work for three consecutive years.

Reading has established itself as the UK's number one regional technology centre. Propelled by its high-value knowledge economy and proximity to London.

From its University to its workforce, Reading continues to attract and retain the very best people from the UK and beyond.

STATION

+ EXPRESS NETWORKING

Complementing Reading's already excellent road and rail services, the Elizabeth Line (from 2019) will connect the town directly to London's West End, City and Docklands.

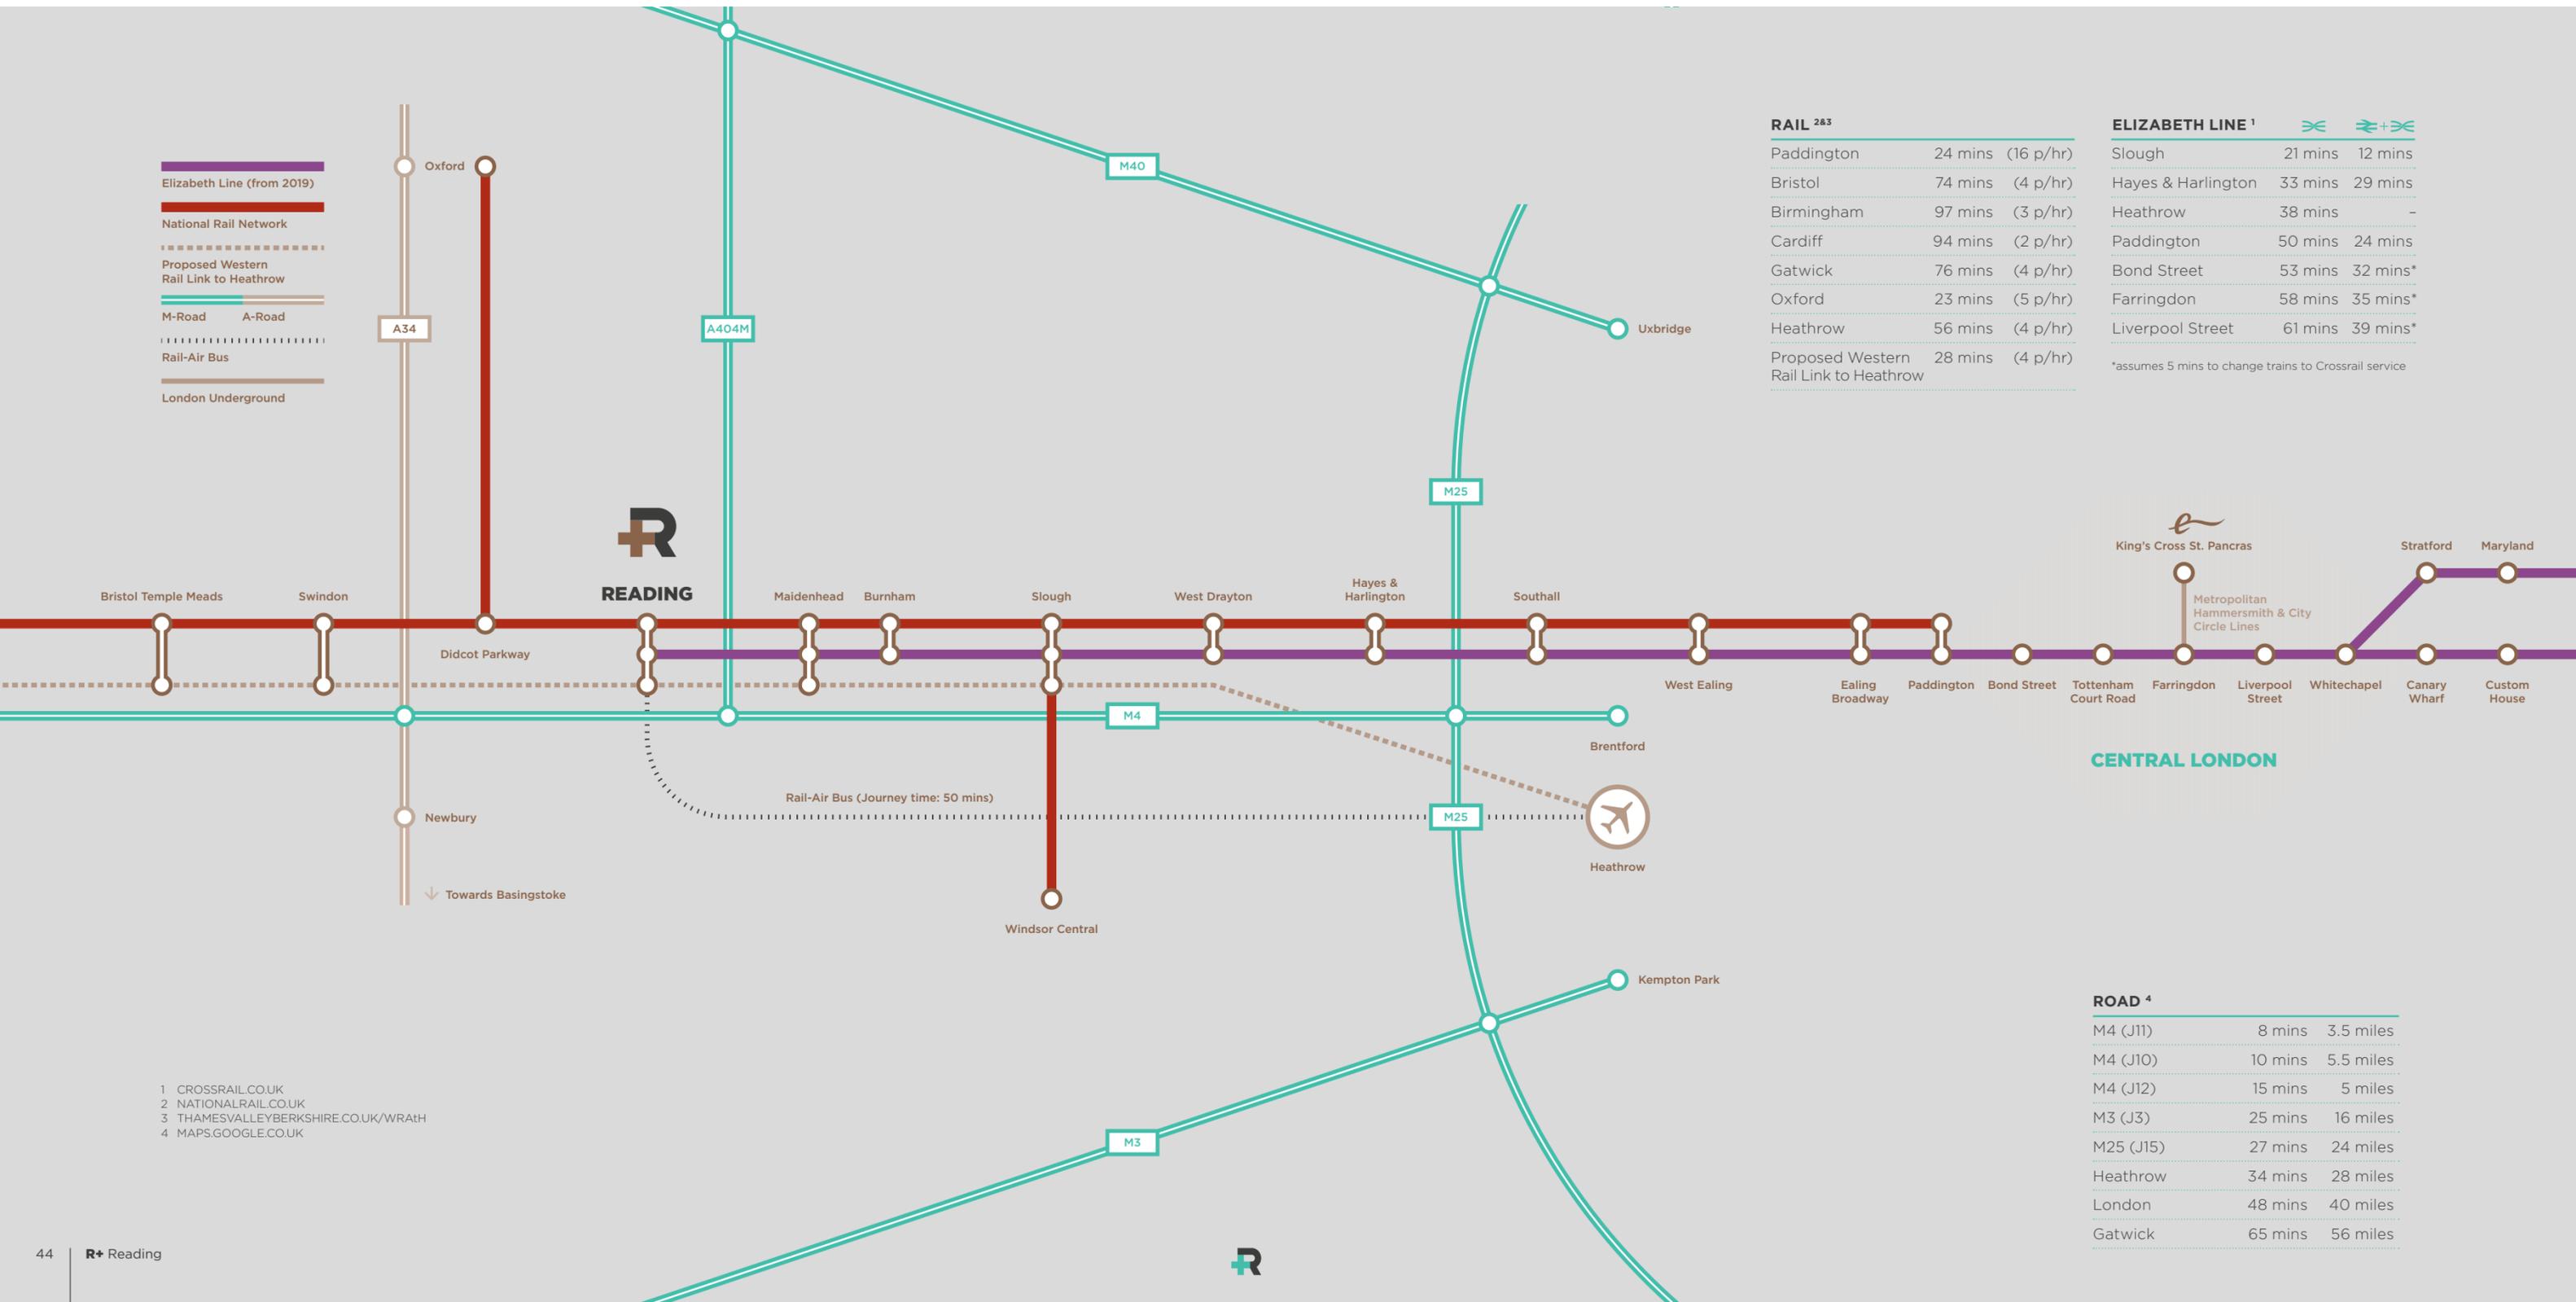

In addition, the proposed Western Rail Link to Heathrow scheme will halve the travel time to Heathrow airport to just 28 minutes.
