An attractive mid terrace property with modern shop front and currently arranged to provide a retail unit to ground floor with ancillary space to the first floor, accessed from an internal staircase to the rear of the shop. The ground floor measures approximately 600 sq ft and the first floor ancillary approximately 390 sq. ft- The shop is currently trading as a Hair Salon.

The first floor should provide scope for conversion to residential use, subject to any necessary consents and may also have further scope to add an additional floor. There is a small kitchen and a W.C. on the first floor and we are advised there is a pedestrian right of way to the rear of the property along the passageway.
