PARCEL ZONING DETAILS

LAFAYETTE CITY-PARISH CONSOLIDATED GOVERNMENT CODE OF ORDINANCES

CH (Commercial Heavy): Purpose: The "CH" district implements the commercial/office future land use category of PlanLafayette, the district allows compact development patterns, but provides flexibility for front parking, loading, and building design features for heavy commercial or service-oriented uses (such as large format retailers, auto dealerships, and repair services). PlanLafayette provides that the commercial office future land use category is principally a pedestrian oriented area. This district should only be used for locations where these uses currently exist, or where a rezoning applicant demonstrates that there is unmet market demand for the use.
