The City is home to CSU Monterey Bay (CSUMB), named one of the nation's most picturesque campuses and UC Santa Cruz, located less than an hour to the North. Marina is situated on U.S. Highway 1 with excellent access via the 101 Freeway to San Francisco & San Jose. Shea Homes selected Marina for "The Dunes" project, a master planned 1,237 unit, single and multi-family residential development. The Dunes is also home to national Tenant's: Target, Kohl's, Best Buy, REI, Old Navy, the new Marriott Hotel, and state-of-the-art VA Hospital.

California State University Monterey Bay

Cal State Monterey Bay has expanded to nearly 8,000 students and is growing approximately 10% annually. CSUMB offers an extraordinary opportunity to learn on a residential campus just one mile from the shores of the beautiful Monterey Bay. The campus straddles the cities of Seaside and Marina, which are small, diverse communities where many of its students live and work. The campus sits halfway between the Monterey Peninsula, which features the coastal communities of Pacific Grove, Monterey, Seaside and Carmel, and the Salinas Valley.
