

GREAT MICHAEL HOUSE AND LINKS HOUSE

TO LET: Links Place, Leith, Edinburgh from 116-900 sq m (1,286-10,000 sq ft)

A modern office entrance featuring a glass revolving door and a set of stairs with illuminated edges. The scene is captured from a low angle, looking up the stairs towards the revolving door. The stairs have dark carpeting and white metal nosing with integrated LED lighting. The revolving door is made of glass and metal, reflecting the interior office space which includes desks and chairs. The ceiling has recessed lighting, and the walls are a neutral color.

Welcome to Leith's most dynamic
working environment

Introduction

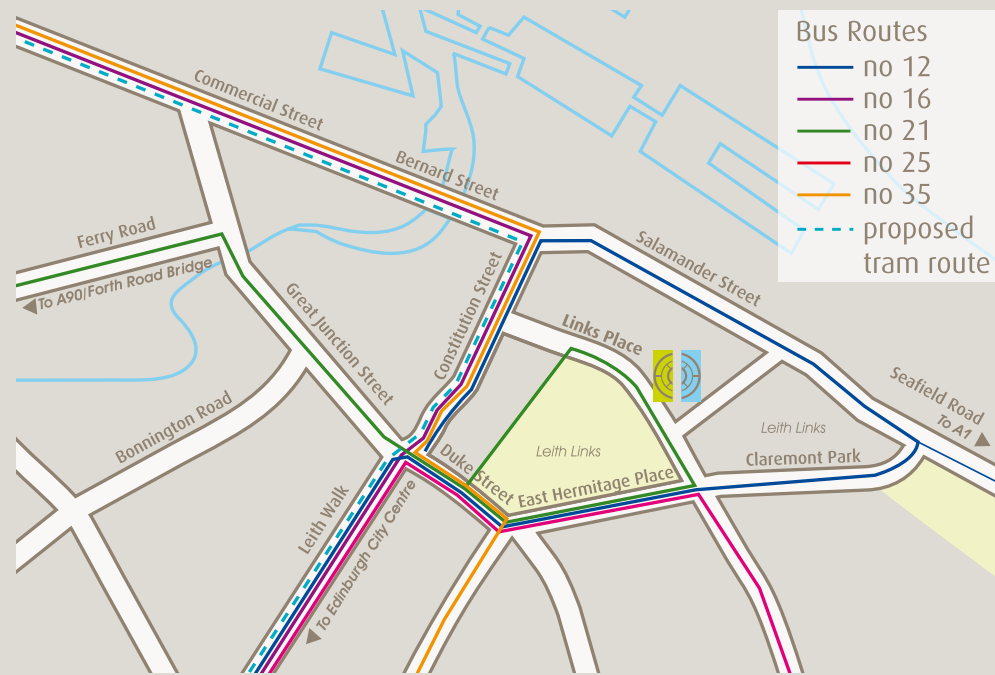

Located within easy reach of the City Centre, Great Michael House and Links House are situated within the vibrant district of Leith, Edinburgh's historic port, named after the 'Great Michael', the largest warship of the Tudor era built in Leith.

Leith is an area that has already benefited enormously from massive public and private sector investment and, as a result, has become an alternative strategic location to the City Centre. The programme of regeneration will see the creation of an entire new community within the City, complete with housing, leisure and shopping amenities, upmarket bars and restaurants, and new education and health facilities.

 GREAT MICHAEL HOUSE AND LINKS HOUSE

Location

Leith is already established as a popular office destination and the newly refurbished Great Michael House and Links House will provide a unique opportunity to locate within this thriving commercial location.

The ability to provide a dynamic working environment has allowed Leith to attract a diverse range of business and commercial occupiers from all parts of the City. It has traditionally been regarded as an IT and media hub, and the significant development within the area has seen its appeal extend to many other occupier groups. Key occupiers within Leith now include Centrica, Cisco Systems, MORI, Carillion and Visit Scotland, in addition to being home to the Scottish Executive. Leith is further enhanced by a mix of stylish

restaurants, café bars, Malmaison Hotel, the Conran designed Ocean Terminal Shopping & Leisure Complex, together with a number of new residential developments.

Leith is now seen as one of the most popular residential locations for young professionals. With further development and expansion of the transport system planned, Leith is set to retain its status as one of Edinburgh's principal business locations. The area is currently well serviced by a number of regular bus routes giving access to the City Centre within 15 minutes. Phase 1 of the proposed Edinburgh Tram Network will run from Edinburgh Airport to Leith and offer a whole new transport choice to the people of Edinburgh.
