30 YEAR PILOT - WHAT IT MEANS FOR YOU

ZERO TAX SURPRISES. DECADES OF COST PREDICTABILITY.

Under a 30-year PILOT, the property tax line in your NNN pass-through is replaced by a contractual annual service charge. Statewide, those charges average roughly half of conventional taxes, and the schedule is set by agreement, not by next year's reassessment.

~52% lower than conventional property taxes
statewide average across all NJ PILOT agreements ¹

30-year cost trajectory

WHY THE CERTAINTY MATTERS

+5% statewide property tax increased in 2025

Select municipalities along Northern NJ's industrial corridor had their general tax rates increase 12-46% between 2021 and 2025 and the revaluation risk is still ahead*

*Assessments lag market value badly, resetting them shifts burden toward whatever appreciated fastest and that's industrial. Elizabeth's 2024 revaluation raised the industrial tax burden 97.5% in one year. Newark's is underway now, effective 2027.

1. Computed from statewide NJ data: 2,678 PILOT agreements, \$29.9B assessed value, \$426.5M in PILOT billings vs \$882.7M conventional-equivalent taxes (Wiss & Co. analysis of NJ data). Aggregate across all property types and deal structures; individual agreements vary and this figure is not a property-specific guarantee.
2. Conventional trajectory is modeled at 3% annual growth with a 2-4% band. NJ Dept. of Community Affairs data: statewide average bills rose 5% in 2025 and over 3% in 2023. The statutory 2% cap limits municipal levies, not individual bills.
3. PILOT step schedule shown is illustrative. Actual annual service charge schedules are set by the financial agreement under N.J.S.A. 40A:20. Land remains subject to conventional taxation.
4. Tenant impact occurs through NNN pass-through of the annual service charge in place of the conventional property tax line.

IDEAL INDUSTRY USERS

Sectors built for this location, these specs, and a 30 year PILOT.

in the bottom right hand box it says 681 Main sits 2 minutes from Route 21. It is literally on top of Route 21 - IMMEDIATELY OFF of Route 21. Change the word "offer" to "divisible to 25,000 SF" and remove "to 112,661 SF"

FOOD & BEVERAGE DISTRIBUTION Specialty importers, grocery wholesalers, and beverage distributors	LAST-MILE PARCEL NETWORKS Regional carriers, delivery stations, and metro injection points	E-COMMERCE & FASHION 3PL Beauty, apparel, and brand fulfillment with parcel-out volume	AUTO AFTERMARKET & TIRE Parts distribution, tire programs, and collision supply
ELECTRONICS & IT LIFECYCLE Component distribution, ITAD, and IT asset management	AEROSPACE & DEFENSE Fasteners, metals, and supplier networks serving NJ primes	BUILDING PRODUCTS & MRO Electrical, plumbing, HVAC, roofing, and landscape supply	MEDICAL, PHARMA & LAB Med-surg distribution, lab logistics, and home health supply
BEAUTY & PERSONAL CARE Fragrance, salon, K-beauty, and contract manufacturing	CONSUMER GOODS IMPORTERS Housewares, textiles, seasonal, and direct-response brands	STUDIO & PRODUCTION Set, prop, lighting, and grip storage for regional production	681 Main Street is immediately off Route 21 and ±18 minutes from the Lincoln Tunnel. Two new buildings, 36' clear with ESFR, divisible to ±25,000 SF under a 30 year PILOT that replaces annual tax surprises with a fixed schedule.
