# www.nolanredshaw.co.uk

### SITUATION

The complex is located on Crowland Close, in close proximity to Butts Lane, the main estate road through the well established and highly popular Crowland Street Industrial Estate, to the east of the town centre. The premises are in a high profile position within the estate, with easy access both to Southport town centre and the motorway network via the A570 Southport Road and close to Kew Retail Park.

#### DESCRIPTION

The complex comprises two distinct areas in need of complete refurbishment.

A former factory shop warehouse, which is of steel portal framed structure, with concrete wall panels under a pitched roof, with an eaves height of approximately 4.1 metres.

The former warehousing area, which is a tubular steel warehouse type design, clad in corrugated sheeting and lined with insulation boarding, has an eaves height of approximately 4 metres. Both buildings are in need of refurbishment.

Externally, there is a large concrete/tarmac yard area with ample room for both delivery and circulation areas. The whole complex comprises approximately 0.8 acres.
