**A FORT WORTH GATHERING PLACE + WORKSPACE
WITH GREAT COFFEE + GOOD VIBES**

COFFEE. CO-WORKING. COLLABORATION.

THE WORKSPACE

We are so excited to bring Trinity Coffee House to Fort Worth. Being a local family, we want to create a space for collaboration and a community that supports local, small businesses and entrepreneurs. The Trinity of our shop includes great coffee, meaningful collaboration, and prosperous co-working. These three elements are the central focus of our coffee shop and work space. Our goal is for Trinity Coffee Shop to be deeply entrenched in Fort Worth culture; full of collaborative events and a welcoming, vibrant atmosphere.

A place that feels like home.
