From the moment we first inquired about the property, the host was fantastic. She answered all of our questions promptly before we booked and continued to be available throughout our stay whenever we needed anything. This was our first time booking a house for a vacation, and it exceeded our expectations. We were two adults and two young children (ages 3 and 4), and the cottage was the perfect fit for our family. The quaint little cottage was just steps from the beach—we could even walk there barefoot! It was bright, welcoming, and had an outdoor space, along with access to a shared BBQ. The house was thoughtfully stocked with everything we needed, and the beds were very comfortable. We had a wonderful stay and wouldn't hesitate to book again. We highly recommend this property to anyone looking for a relaxing beach getaway!
