DRAYTON MILLS

AWARD WINNING CLASS “A” MIXED-USE DEVELOPMENT

The 23-acre historic Drayton Mills includes 289 loft apartments and 53,571+ SF of restaurant and retail space. Originally built in 1902 as a textile mill, the award-winning, adaptive-reuse project was completed between 2017 and 2019.

Drayton Mills is well-located near Downtown Spartanburg, the 12th fastest growing MSA's in the United States.

HISTORIC STATUS

Built in 1900, Drayton Mills has a rich history that has spanned well over 100 years. The red brick-spinning mill was beautifully designed by the Boston engineering firm of Lockwood Greene & Co. and features Romanesque Revival and Tudor Revival architecture.

Over the years, additional structures have been added including a cotton warehouse, two water towers, a pond and office buildings. Architectural features with industrial charm are still present to the site including exposed beams, arched window bays, deep red brick and original hardwood floors.

Today the property is listed on the National Register of Historic Places which adds to the uniqueness of this master redevelopment. Operating as a textile and manufacturing mill between 1898 and 1994, this property has supported the economy of Spartanburg and the surrounding area for over a century.

AWARD-WINNING
COMMUNITY

The S.C. Department of Archives and History, and Preservation South Carolina presented Drayton Mills with the Honor Award – one of the state's highest honors for historic preservation.

Also in 2018, Novogradac and Co. honored Drayton Mills as its Non-Residential Major Community Impact Winner. This national award was given over hundreds of other eligible projects.

Drayton Mills Loft Apartments also has received awards for Best Apartment Community 6 years in a row in the Spartanburg Herald-Journal's Best of the Best awards.

DRAYTON MILLS TRAIL

An urban trail in any city is a treat and retreat for both locals and visitors. On Spartanburg's east side, Drayton Mills Trail is one of those much sought-after experiences for residents. Partners for Active Living is spearheading an effort to build a connected trails network throughout the Spartanburg urban area. The complete system will total 32 miles of connected trails: 11 miles of existing and 21 miles of new trails.
