a modern community with neighborhood convenience

Augusta Gateway is a new, village-style retail center, geared toward serving the daily needs of its many surrounding neighborhood residents. Conveniently located at the south end of Augusta Road in Greenville, SC, this walkable, park-once destination is comprised of six stand-alone buildings, and will feature a mix of food, personal and professional service businesses. The anchor space is $\pm 24,150$ SF and is the perfect location for a boutique grocery, hardware, and/or entertainment use.

Buildings will be built and delivered in 'warm shell' condition, with the developer offering a TI Allowance for tenant-specific upfits. Spaces are subdividable—contact broker for details.

Augusta Gateway is part of a City of Greenville-supported development wave that is driving smaller, neighborhood-focused retail, medical and housing further toward I-85 on Augusta Road in order to serve the growing population.
