WORKSHOPS™

- Award Winning Building -

In the hub of activity, just off Colorado Boulevard, in the heart of Glendale is a collection of studios, small offices, shops and services. These businesses are housed in a unique building called the Workshops. A four-story building with 178 units that range in size from 56 to 600 square feet.

On the ground floor are storefronts for walk-up retail and services. The second floor is home to studio space for artists and crafts persons. The third and fourth floors house professional offices and suites.

The Workshops share amenities to include a courtyard, conference room, kitchens a lounge and free wi-fi.

The Workshops may be just the space you are looking for to grow your business or practice your craft.

Call today for current space availability at 303-758-1900 to come and see what Workshops space is best for you!
