

An architectural rendering of a modern, multi-story building entrance. The structure features two prominent square towers on either side, connected by a wide, flat canopy supported by a grid of metal beams. The towers have a mix of materials, including grey panels, horizontal wooden slats, and brick bases. Large glass windows are visible on the ground floor. In the center, a paved walkway leads through the entrance, lined with trees and colorful flower beds. Several stylized human figures are shown walking along the path, adding a sense of scale and activity. The sky is bright blue with scattered white clouds.
