A high specification office space

Location

The offices are located approximately 9 miles south of Hereford, 7.5 miles north of Ross-on-Wye and approximately 5 miles north of Junction 4 of the M50. From the M50, take the A449 (signposted Ledbury) and travel for about 2 miles before turning left onto the B4224 towards Fownhope and Hereford. Continue along this road for approximately 3 miles before turning left (signposted to Brockhampton Church). The development is located about 100 metres beyond the church on the right hand side.

Description

The offices have been sympathetically fashioned through the restoration of a cluster of redundant farm buildings using recycled materials and finished with a high specification fit out. Each office benefits from LG7 compliant lighting, Cat 5 cabling and excellent levels of natural light. The oak beams and chestnut cladding have all been milled on the estate and the stone required for new walling was salvaged from other buildings on the farm.

The unit has an individual alarm system, open fronted garage space and car parking facilities.
