

YOUR NEW BASE.

ABOUT US

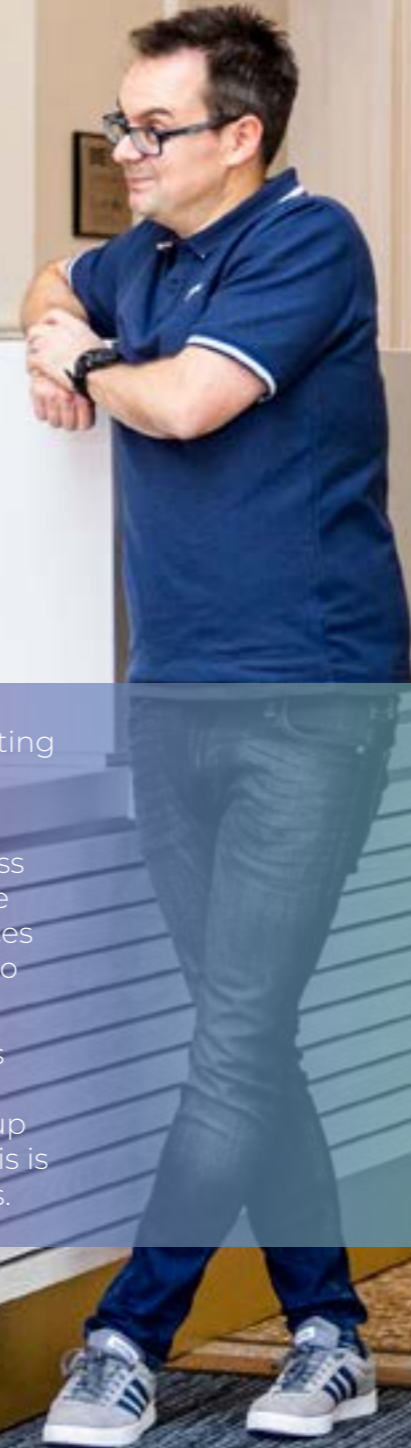

Are you a growing start-up or SME looking for the ideal home for your business? BASE Bordon Innovation Centre is an inspiring and energetic hub for businesses to work and collaborate. With an impressive, newly regenerated range of private offices, coworking and meeting spaces, we're ready to support you.

Set in the former Louisburg Barracks, BASE Bordon Innovation Centre brings together a diverse mix of start-ups, SMEs and high-growth

businesses to create an exhilarating community of collaborators, innovators and entrepreneurs.

This historic former Officers' Mess has been re-designed to provide modern and inspiring workspaces with the flexibility and support to grow your business.

If you're an established business looking for an exciting place to expand and develop, or a start-up looking for a flexible solution, this is the ideal BASE for your business.

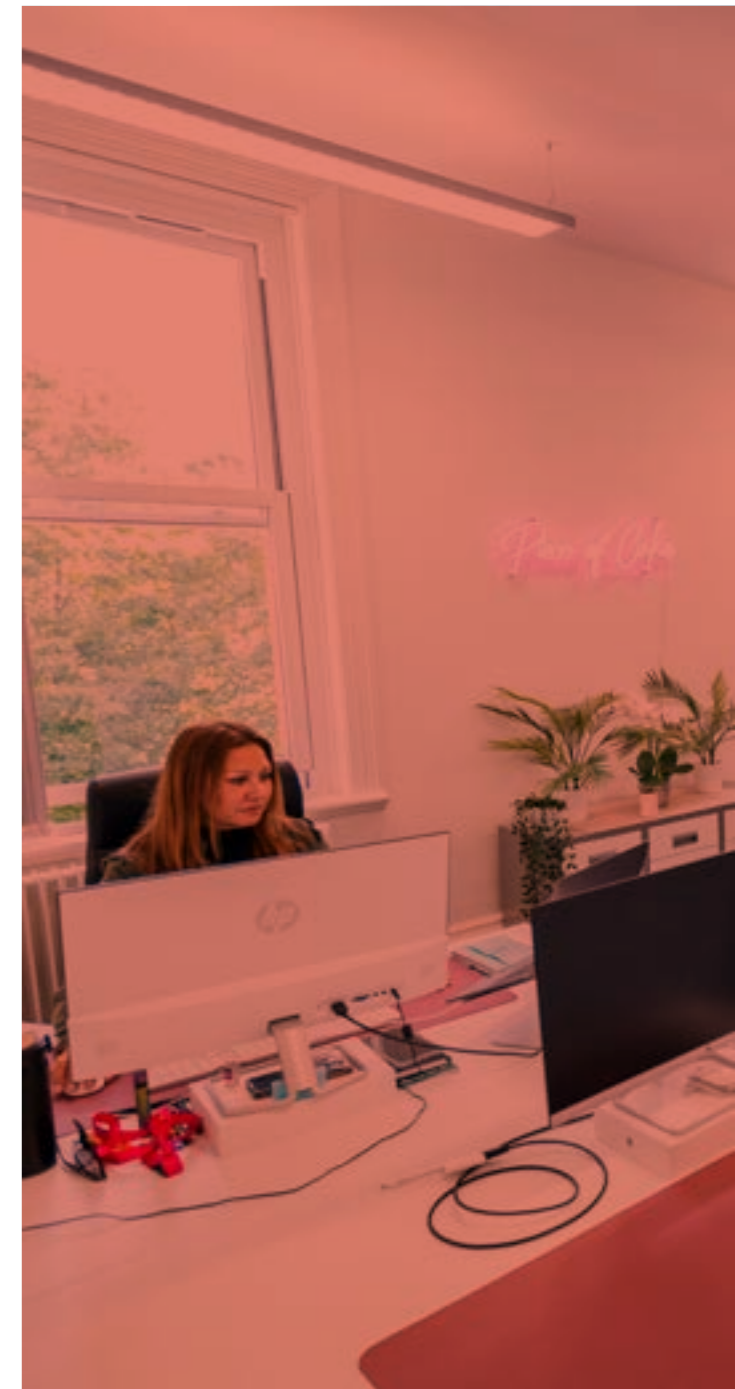

OFFICE SPACE

There's no better place to make your own history than at BASE Bordon Innovation Centre. Our flexible and stylish office spaces offer ambitious entrepreneurs the ideal environment to grow their businesses.

With solutions for 1-8 people, companies can take advantage of inclusive on-site support and access to a range of meeting rooms.

- **Private office space for 1-8 people, although larger companies can also be accommodated**
- **Flexible rolling agreement with a 2-month notice period**
- **Advice and support for growing businesses**
- **Private meeting rooms and breakout spaces**
- **Serviced reception desk**

COWORKING & LOUNGE

Our Coworking and Business Lounge packages provide flexible and affordable solutions for early stage businesses to continue on their growth journey.
