LOCATION & ACCESS

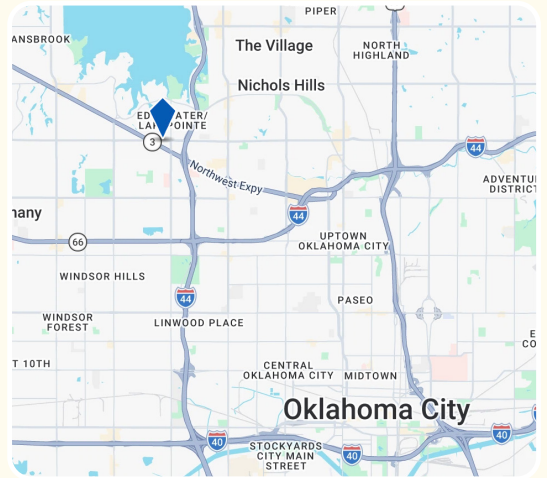

Outstanding Class A Office Tower — 3817 NW Expressway

Rising ten stories above Oklahoma City's NW Expressway corridor, this premier Class A property offers 278,843 square feet of net rentable space designed to impress. Dual-pane, highly reflective glass wraps the exterior office areas, while a soaring clear-glass atrium floods the interior with natural light — creating a workplace that's as functional as it is striking. Generous 35-to-45-foot column spacing and 8.5-to-10-foot ceilings give tenants flexibility to build out space that works for them.

With 970 total parking spaces — including covered and canopy options — plus round-the-clock card-key access, on-site management, and a dedicated loading dock, every operational detail has been considered. Tenants and guests enjoy a full-service restaurant, on-site fitness facility, and conference center, all framed by sweeping views of Oklahoma City and Lake Hefner.

This is Class A office space built for businesses that expect more.
