Location

Lugano is one of five office premises that together form the prestigious Lakeview Campus on Sherwood Park, with other occupiers including Unipart, Siemens, White Young Green and a Government Organisation. Sherwood Park is home to a thriving business community and leading edge manufacturers.

The property enjoys a peaceful situation overlooking an ornamental lake and lawns, yet is less than 1 mile from J27 of the M1 motorway and is thus readily accessible to Nottingham and the wider geographic region. On site facilities include a 4 star hotel with bar, restaurant and meeting rooms.

Description

The premises comprise Grade A office accommodation off a central service core, with the following features:

- 125mm full access raised floors
- 2.8m clear floor to ceiling height
- Suspended ceilings with LG3 lighting
- Kitchenette
- WC's
- Carpets throughout

One of the principal attractions of the suite is that it comes with an excellent car parking provision of 80 spaces, being 1 space for every 205 sq ft. It is situated outside of the Workplace Parking Levy Zone, potentially saving an occupier considerable cost, compared to a property subject to the charge.
