DESCRIPTION

Barrowfield Business Park will provide modern warehouse space including disabled toilets, kitchenette areas and dedicated car parking bays. The buildings will be of mono pitched steel frame construction, with a mixture of full height factory finished steel cladding, using a mix of micro-rib and trapezoidal profiles. The roof is to be a factory finished metal cladding system, with 10% roof lights complete with angled fascia's and soffits. The buildings will be fully insulated to meet today's design standards and will achieve BREEAM 'Very Good' status specification.

SERVICES

- Metered mains electricity and water are to be provided to the units, together with ducts for telephone and broadband. Interested parties should ensure capacity is sufficient for their use.
- Foul water drainage connected to mains drainage.
- Superfast broadband has been provided across the site, with a fibre enabled cabinet provided to the site frontage and ducts to all units. Interested parties should check with the relevant provider to confirm broadband speeds.
