Dear Mr. Farsai,

I understand that you are proposing a multi-tenant pylon sign for one or more locations along Interstate 5 in Orland. The Orland City Council is supportive of this kind of advertising for the development we are attracting to Orland. The City of Orland supports and encourages your efforts to gain Caltrans approval to construct a multi-tenant pylon sign in Orland, and would support a portion of the sign being digital display advertising.

We look forward to working with you to successfully navigate this process to gain such approval and see this project to fruition. Please keep me informed and refer Caltrans to me if they have questions or guidance for the City.

Sincerely,

Peter R. Carr
City Manager
